- 2) Young people who can enter the doctor's course at graduate school of engineering at the same academic/fiscal year as hiring and pursue a research career in academia as a Start-Up Assistant Professor.

3. Salary and Benefits will be determined according to the university regulations.

Annual salary system will be applied.

4. Starting date: April 1, 2025, or the earliest possible date thereafter

5. Application materials

- 1) A full statement of curriculum vitae with a complete list of academic achievements
- 2) A concise description of past and future research: approximately 500 words.
- 3) An essay outlining your philosophy as a researcher: no more than 300 words.
- 4) Contact information of one reference

6. Application Deadline: No later than May 17, 2024

7. Send the application materials to:

Professor Eiko YOSHIDA

Nagoya Institute of Technology

E-mail: yoshida.eiko@nitech.ac.jp

Notes

- 1) Application materials in English or in Japanese are acceptable.
- 2) Submission by e-mail

The subject of the email should be "Job Application for A Faculty Position."

When attaching application materials, please convert the application material into a PDF format and set up a password. Please make sure that the password will be sent

separately from the email with the PDF file. If applicants do not receive any receipt notification from the Nagoya Institute of Technology, please contact the person in charge written above.

- 3) NITech promotes diversity, including gender equality, in its effort to enhance the university environment for education, research and employment. In the faculty recruitment selection, priority will be given to female and foreign candidates if their overall performance (research achievements, education performance, social contribution, etc.) and personal evaluation are recognized as equivalent to those of other candidates.
- 4) The personal information related to the screening will be treated properly based on the Personal Information Protection Law and Nagoya Institute of Technology's provision. However, in the screening process, personal information would be inquired. Upon agreement and acceptance of the requirements, please apply for this position.
- 5) For further information, please contact Prof. Ken-ichi KAKIMOTO by e-mail.
E-mail: kakimoto.kenichi@nitech.ac.jp
