

## **Assistant Professor (fixed term)**

**Graduate School of Engineering, Nagoya Institute of Technology, JAPAN**

### **1. Position**

One fixed term (five years) Assistant Professor

**Notes:** During the fixed term, he/she can apply for a tenure position.

A tenure position will be granted on the basis of multi aspects such as education, research, campus activities and social contribution of an applicant.

### **2. Duties**

- 1) Teaching electrical and mechanical engineering related subjects
- 2) Assisting in the supervision of undergraduate and graduate research  
(All the faculty members are responsible for general education classes)
- 3) Research of robotics and mechatronics involving system integration in mechanical engineering

### **3. Qualifications**

- 1) Young people with a doctorate degree or an expected doctorate degree
- 2) Enthusiasm for teaching Robotics and Mechanical Engineering
- 3) Experience in the research and development of motor control and/or perceptual mechanism and their applications to robotics
- 4) Leading the development of human-centered mechanical systems through interdisciplinary research
- 5) An adequate command of Japanese to manage daily university works

**4. Salary and Benefits** will be determined according to the university regulations.

Annual salary system will be applied.

**5. Starting date:** January 1, 2026, or the earliest possible date thereafter

### **6. Application materials**

- 1) A full statement of Curriculum vitae with a complete list of academic achievements
- 2) Copies of three major publications
- 3) A concise description of past research and future goals: approximately 500 words.
- 4) An essay outlining your philosophy of teaching: no more than 300 words.
- 5) Contact information of two references

**7. Application Deadline:** No later than September 22, 2025

### **8. Send the application materials to:**

Professor Yoshihiro TANAKA

Nagoya Institute of Technology

E-mail: [tanaka.yoshihiro@nitech.ac.jp](mailto:tanaka.yoshihiro@nitech.ac.jp)

## Notes

1) Application materials in English or in Japanese are acceptable.

2) Submission by e-mail

The subject of the email should be "Job Application for A Faculty Position."

When attaching application materials, please convert the application material into a PDF format.

3) NITech promotes diversity, including gender equality, in its effort to enhance the university environment for education, research and employment. In the faculty recruitment selection, priority will be given to female and foreign candidates if their overall performance (research achievements, education performance, social contribution, etc.) and personal evaluation are recognized as equivalent to those of other candidates.

4) The personal information related to the screening will be treated properly based on the Personal Information Protection Law and Nagoya Institute of Technology's provision. However, in the screening process, personal information would be inquired. Upon agreement and acceptance of the requirements, please apply for this position.

5) For further information, please contact Prof. Yoshihiro TANAKA by e-mail.
