When attaching application materials, please convert the application materials into a PDF format and set up a password. Please make sure that the password is sent separately from the email with the PDF file. If applicants do not receive any receipt notification from the Nagoya Institute of Technology, please contact the person in charge as written above.

9. Send the application materials to:

Professor Tomohiro Ozawa

Nagoya Institute of Technology

E-mail: ozawa.tomohiro@nitech.ac.jp

Notes

- 1) Application materials in English or in Japanese are acceptable.
- 2) NITech promotes diversity, including gender equality, in its effort to enhance the university environment for education, research and employment. In the faculty recruitment selection, if the overall performance (research achievements, education performance, social contribution, etc.) and personal evaluation are recognized as equivalent to those of other candidates, we actively seek to hire diverse candidates regardless of gender or nationality.
- 3) The personal information related to the screening will be treated properly based on the Personal Information Protection Law and Nagoya Institute of Technology's provision. However, in the screening process, personal information would be inquired. Upon agreement and acceptance of the requirements, please apply for this position.
- 4) For further information, please contact Professor Tomohiro Ozawa by e-mail.
