

Assistant Professor (fixed term)

Graduate School of Engineering, Nagoya Institute of Technology, JAPAN

1. Position

One fixed term (five years) Assistant Professor

Notes: During the fixed term, he/she can apply for a tenure position.

A tenure position will be granted on the basis of multi aspects such as education, research, campus activities and social contribution of an applicant.

2. Duties

- 1) Teaching experiments in chemistry, physics, and soft materials, and others
- 2) Assisting in the supervision of undergraduate and graduate research under supervision of faculty who majors in polymer synthesis. All the faculty members are responsible for general education classes. Therefore, please be aware that you may be assigned to these subjects.
- 3) Research of the entire field of synthetic chemistry, including polymer chemistry

3. Qualifications

- 1) Young people with a doctorate degree or an expected doctorate degree
- 2) Enthusiasm for teaching polymer synthesis
- 3) Experience in the development of polymer synthesis
- 4) An adequate command of Japanese to manage daily university works

4. Salary and Benefits will be determined according to the university regulations.

Annual salary system will be applied.

5. Starting date: April 1, 2027

6. Application materials

- 1) A full statement of Curriculum vitae with a complete list of academic achievements
- 2) Copies of three major publications
- 3) A concise description of past research and future goals: approximately 500 words.
- 4) An essay outlining your philosophy of teaching: no more than 300 words.
- 5) Contact information of two references

7. Application Deadline: No later than November 27, 2026 (The recruitment may be closed once a suitable candidate is found.)

8. Send the application materials to:

Professor Akinori TAKASU

Nagoya Institute of Technology

E-mail: takasu.akinori@nitech.ac.jp

Notes

1) Application materials in English or in Japanese are acceptable.

2) Submission by e-mail

The subject of the email should be "Job Application for A Faculty Position."

When attaching application materials, please convert the application material into a PDF format and set up a password. Please make sure that the password will be sent separately from the email with the PDF file. If applicants do not receive any receipt notification from the Nagoya Institute of Technology, please contact the person in charge written above.

3) NITech promotes diversity, including gender equality, in its effort to enhance the university environment for education, research and employment. In the faculty recruitment selection, if the overall performance (research achievements, education performance, social contribution, etc.) and personal evaluation are recognized as equivalent to those of other candidates, we actively seek to hire diverse candidates regardless of gender or nationality.

4) The personal information related to the screening will be treated properly based on the Personal Information Protection Law and Nagoya Institute of Technology's provision. However, in the screening process, personal information would be inquired. Upon agreement and acceptance of the requirements, please apply for this position.

5) For further information, please contact Prof. Akinori TAKASU by e-mail.
