Professor Toru TAMAKI

Nagoya Institute of Technology

E-mail: tamaki.toru@nitech.ac.jp

Notes

- 1) Application materials in English or in Japanese are acceptable.
- 2) NITech promotes diversity, including gender equality, in its effort to enhance the university environment for education, research and employment. In the faculty recruitment selection, if the overall performance (research achievements, education performance, social contribution, etc.) and personal evaluation are recognized as equivalent to those of other candidates, we actively seek to hire diverse candidates regardless of gender or nationality.
- 4) The personal information related to the screening will be treated properly based on the Personal Information Protection Law and Nagoya Institute of Technology's provision. However, in the screening process, personal information would be inquired. Upon agreement and acceptance of the requirements, please apply for this position.
- 5) For further information, please contact Prof. Toru TAMAKI by e-mail.
