

## 20XX Research Guidance Plan and Activity Report (Master's Program, Creative Engineering Program)

Student number:

Grade:

Year

Student name

Academic supervisor:

Research topic:

Your academic adviser will specify a one-year plan at the beginning of the school year.

Research guidance plan	
------------------------	--

Research guidance plan (Filled in at the beginning of the academic year Student → Academic supervisor → Submission)

Research plan	Research guidance plan
Entry date: 20yy/mm/dd	Entry date: 20yy/mm/dd

Activity Report (Previous semester) When submitting the learning portfolio at the end of the semester (Filled in at the end of the previous semester; Student → Confirmation by academic adviser (evaluation) → Mentor interview/Confirmation → Submission)

Research progress	Status of one's own learning achievement through research
Entry date: 20yy/mm/dd	Entry date: 20yy/mm/dd

Summary of rubrics \* Indicates the number of items checked for rubric level 3 or higher.

Grading scale	C plan	Expertise	Problem-solving ability	Logical thinking	Duties of engineers	Communication skills
