

## Department of Life Science and Applied Chemistry

| Field                                 | Title               | Name                 |
|---------------------------------------|---------------------|----------------------|
| Field of Life and Materials Chemistry | Professor           | AOKI, Atsushi        |
|                                       | Professor           | ITOH, Hiroshi        |
|                                       | Professor           | OHTANI, Hajime       |
|                                       | Professor           | KATO, Yoshihito      |
|                                       | Professor           | KAWASAKI, Shinji     |
|                                       | Professor           | KANDORI, Hideki      |
|                                       | Professor           | SHIBATA, Norio       |
|                                       | Professor           | TAKADA, Kazutake     |
|                                       | Professor           | DEWA, Takehisa       |
|                                       | Professor           | NAKANO, Isao         |
|                                       | Professor           | MORI, Hideki         |
|                                       | Professor           | YAMASHITA, Keiji     |
|                                       | Professor           | YAMAMURA, Hatsuo     |
|                                       | Associate Professor | INOUE, Keiichi       |
|                                       | Associate Professor | INOMATA, Tomohiko    |
|                                       | Associate Professor | IWATA, Shuichi       |
|                                       | Associate Professor | OHKITA, Masakazu     |
|                                       | Associate Professor | OGASAWARA, Riki      |
|                                       | Associate Professor | OZAWA, Tomohiro      |
|                                       | Associate Professor | ONO, Katsuhiko       |
|                                       | Associate Professor | KITAGAWA, Shinya     |
|                                       | Associate Professor | SHIDA, Norihiro      |
|                                       | Associate Professor | SONOYAMA, Noriyuki   |
|                                       | Associate Professor | NAKAMURA, Shuichi    |
|                                       | Associate Professor | NAGUMO, Ryo          |
|                                       | Associate Professor | HANAI, Yoshiteru     |
|                                       | Associate Professor | HIRASHITA, Tsunehisa |
|                                       | Associate Professor | MIZUNO, Toshihisa    |
|                                       | Associate Professor | YAGYU, Takeyoshi     |
|                                       | Associate Professor | YASUI, Takashi       |
|                                       | Associate Professor | YAMAMOTO, Yasushi    |
|                                       | Associate Professor | YOSHINO, Akihiro     |
|                                       | Assistant Professor | IIGUNI, Yoshinori    |
| Assistant Professor                   | KONDO, Masaharu     |                      |
| Assistant Professor                   | MIYAGAWA, Atsushi   |                      |
| Field of Soft Materials               | Professor           | INAI, Yoshihito      |
|                                       | Professor           | INOMATA, Katsuhiko   |
|                                       | Professor           | SUZUKI, Masahito     |

## Department of Life Science and Applied Chemistry

| Field                      | Title               | Name                |
|----------------------------|---------------------|---------------------|
| Field of Soft Materials    | Professor           | TAKAGI, Shigeru     |
|                            | Professor           | TAKASU, Akinori     |
|                            | Professor           | TSUKIJI, Shinya     |
|                            | Professor           | HIGUCHI, Masahiro   |
|                            | Professor           | YOSHIMURA, Atsushi  |
|                            | Associate Professor | ISHII, Daisuke      |
|                            | Associate Professor | OKAMOTO, Shigeru    |
|                            | Associate Professor | SAKO, Katsuya       |
|                            | Associate Professor | SHIOTSUKA, Michito  |
|                            | Associate Professor | SUGIMOTO, Hideki    |
|                            | Associate Professor | TAKAGI, Koji        |
|                            | Associate Professor | NAGATA, Kenji       |
|                            | Associate Professor | YAMAMOTO, Katsuhiko |
|                            | Associate Professor | MATSUOKA, Shinichi  |
|                            | Associate Professor | YOSHIZATO, Hideo    |
| Associate Professor        | YOSHIMIZU, Hiroaki  |                     |
| Field of Advanced Ceramics | Professor           | ADACHI, Nobuyasu    |
|                            | Professor           | IDA, Takashi        |
|                            | Professor           | IWAMOTO, Yuji       |
|                            | Professor           | KAKIMOTO, Kenichi   |
|                            | Professor           | KASUGA, Toshihiro   |
|                            | Professor           | SHIN, Woosuck       |
|                            | Professor           | NAKAYAMA, Masanobu  |
|                            | Professor           | HANEDA, Masaaki     |
|                            | Professor           | HAYAKAWA, Tomokatsu |
|                            | Professor           | HIRAO, Kiyoshi      |
|                            | Professor           | FUKUDA, Koichiro    |
|                            | Professor           | FUJI, Masayoshi     |
|                            | Associate Professor | ASAKA, Toru         |
|                            | Associate Professor | OBATA, Akiko        |
|                            | Associate Professor | KAGOMIYA, Isao      |
|                            | Associate Professor | SHIRAI, Takashi     |
|                            | Associate Professor | HASHIMOTO, Shinobu  |
|                            | Associate Professor | FUDOZI, Hiroshi     |
| Associate Professor        | MAEDA, Hirotaka     |                     |
| Assistant Professor        | DAIKO, Yusuke       |                     |
