# Advance Notice of Changes to the Admissions Selection for Privately Financed International Students Faculty of Engineering, 2028 Academic Year (Reiwa 10)

Nagoya Institute of Technology

Nagoya Institute of Technology will revise the EJU score requirements for applicants to the Faculty of Engineering's admissions selection for privately financed international students for the 2028 academic year (Reiwa 10), as outlined below. The Examination for Japanese University Admission for International Students (EJU) is administered by the Japan Student Services Organization (JASSO).

## 2027 Academic Year (Reiwa 9) Admissions Selection (Before the Change)

Applicants must earn an overall score of 200 points or higher in the Japanese “listening,” “listening/reading,” and “reading” sections of the 2026 EJU that is conducted by the Japan Student Services Organization. They must also earn an overall score of 200 points or higher in two science subjects and “mathematics (course 2 required)” in basic academics (science-related).

## 2028 Academic Year (Reiwa 10) Admissions Selection (After the Change)

Applicants must earn an overall score of 300 points or higher in the Japanese “listening,” “listening/reading,” and “reading” sections of the 2027 EJU that is conducted by the Japan Student Services Organization. They must also earn an overall score of 300 points or higher in two science subjects and “mathematics (course 2 required)” in basic academics (science-related).
